3 members of the public

The Assistant Clerk was present

**22/105 PUBLIC QUESTIONS**

*A member of the public objected to planning application WD/2021/2836/FR. The member of the public owns the land and explained this planning application was submitted without his consent. The tenant has been issued with two notices to quit and a 'Section 25' Notice. The member of the public explained the tenant had been allowed to live at the site as they had agreed to help restore the woodland due to their expertise. Instead, the tenant has caused considerable damage and disturbance and this application would only enable their continued destruction of the area. The woodland is also within the AONB. .*

*A member of the public reported they recently had a meeting with the MP, Huw Merriman and referred to two main areas of discussion. The 5 year land supply and food security. They gave a brief outline of their discussion and hoped to work together with the MP in these areas.*

**22/106 APOLOGIES FOR ABSENCE**

*Apologies had been received from Councillors Baker, Deacon, and Mian.*

*These were noted*

**22/107 DISCLOSURE OF INTERESTS IN MATTERS ON THE AGENDA**

*Cllr Coffey declared a personal interest in WD/2022/0581/F as he knows the applicant.*

*Cllr Leney declared a personal interest in WD/2021/2836/FR as he is a neighbour to the site.*

*Cllr Coffey declared a personal interest in WD/2022/7020/AD as he knows the applicant*

*Cllr Puttick declared a personal interest in WD/2022/7020/AD as he knows the applicant*

22/108 **MINUTES**

22/109 **ACTION POINTS FROM PREVIOUS MINUTES**

*The Assistant Clerk reported there is no further update regarding Mill Road and Little London Garages industrial estate.*

*A response was received from ESCC regarding the traffic survey at Mutton Hall Hill. This will be placed on the next agenda for discussion.*

*The position of the bin at Cycle Revival is being further investigated and hopefully will be installed once the final position has been agreed.*

22/110 **PLANNING APPLICATIONS**

**WD/2021/2836/FR**

DUNLY WOOD, MAYFIELD ROAD, CROSS IN HAND, HEATHFIELD TN21 0UE - Retrospective application for change of use of the existing forestry/agricultural building and yard area to a 'sui generis' mixed use of forestry, agriculture and contractors yard, including mezzanine floor for office use and change of use of former mobile office building to parts store. Proposed creation of an impermeable machinery and equipment wash down area with drainage to a waste water treatment plant.

**OBSERVATIONS:** *The committee members objected to this application on the following grounds:*

- 1. The application represents a complete and unacceptable change from (or extension to) agriculture related activity to commercial/industrial use.*
- 2. Adverse impact upon the environment.*
- 3. Unacceptable development in the AONB.*
- 4. Adverse impact on local residents and the local environment.*
- 5. Access to and from the A265 creates additional safety risks for other road users at a part of the road which is hazardous and is outside the speed limit area, especially considering the increasing volume of activity that might develop at the site and the size of vehicles which will be entering and egressing the site. The consent for the use of the access in 2017 was approved on the basis for forestry use only.*
- 6. Environmental pollution caused by consequential industrial run-off water into agricultural/recreational land.*
- 7. Adverse impact upon the Ancient Woodland.*
- 8. Members have concerns over the current nature of the operations as they reflect previously stated concerns.*

*Note:*

- 1. Members are concerned about the retrospective nature of the application and the lack of consultation with the local community'.*

2. Members requested that enforcement action to be taken to ensure the use of the building(s) and land revert to the approved forestry use.

**WD/2021/3080/F** – Delegated comments sent to WDC

TELEPHONE BOOSTER STATION - LOCATED WEST OF NETTLESWORTH LANE AND NORTH OF MILL WOOD, TN21 9AP - The change of use and extension of a redundant telephone booster station to form a one-bedroom holiday let.

**OBSERVATIONS:** *The Council objects to the proposed development on the grounds that it is considered that the proposed conversion, even with the modest extension proposed, would be unrealistically small, and would bring pressure for a larger development going forward.*

*The relatively remote location in woodland would also, in the view of the Council, introduce an inappropriate residential dwelling and curtilage in this woodland site, prejudicial to the natural environment and the surrounding landscape in the AONB, both in terms of creating a residential curtilage, as well as attendant noise, activity and lighting.*

*Members agreed to include the following addition in their response:*

*Note: Any works to be carried out on the site should comply with the provisions of the Wildlife & Country Act 1991.*

**WD/2022/0508/F**

WYANDELL, HAILSHAM ROAD, HEATHFIELD, TN21 8AS - Proposed single storey rear extension and internal alterations

**OBSERVATIONS:** *: The committee members supported this application and considered the size and appearance in keeping with the locality, subject to no windows to the end elevations to prevent overlooking of neighbours; in addition, implementation of the development to ensure satisfactory construction so as to safeguard the neighbouring property in relation to the Party Wall Act. Also for boundary hedge screening to be retained.*

**WD/2022/0794/PO**

BARN COTTAGE, SHEEPWASH LANE, BLACKBOYS, TN22 4HA - discharge of section 106 agreement dated 27 June 2000 attached to planning permission WD/1999/1720/F (change of use from office to holiday let cottage) as it is no longer relevant.

**OBSERVATIONS:** *The committee members support the removal of the section 106 Agreement.*

**WD/2022/0311/F**

HEATH BARN, STREET END LANE, BROAD OAK, HEATHFIELD, TN21 8TU -  
Change of use to residential including the erection of a summerhouse and garden  
store/home office.

**OBSERVATIONS:** *The committee members objected to this application on the grounds that it is an unjustifiable countryside extension of the residential curtilage of the property, and it is an introduction of built-form and change of character in the AONB where limited permitted development rights also apply.*

**WD/2022/0487/F**

29 RIDGEWAY CLOSE, HEATHFIELD, TN21 8NS - SINGLE STOREY

35 SPRINGWOOD ROAD, HEATHFIELD, TN21 8JX - Erection of summer house  
in the rear garden

**WD/2022/0581/F**

ROSE COTTAGE, NORTH STREET, WALDRON, TN21 0QS - Erection of two  
storey extension.

**OBSERVATIONS:** *The committee members supported this application and considered the size and appearance in keeping with the locality, and welcomed the reduction in scale of the proposed extension. However, given the location in a Conservation Area, all permitted developments to be removed, including in relation to fenestration.*

**WD/2022/7020/AD-** No associated consultees
