

**Have you finished at school/college and worried about what to do next?**

*Bridging the gap between education & work*

**Need advice and guidance in finding career/employment opportunities?**

**Want to gain additional knowledge & skills?**

Wealden Works is offering a **FREE** online employability programme to 15-24 year olds, providing, advice, guidance and opportunities to help kick start your career.

**Over a 3-week period.**

**Sign up today, see below for contact details.**

By building trust with our young people, we can address personal issues, offer free professional counselling, and once a job or college placement is secured, we offer support for at least a year to ensure success is long term.

This **FREE** online programme includes:

- Workplace Skills
- CV Building & Interview Preparation
- Help finding Suitable Employment/Apprenticeship opportunities.
- Networking Opportunities
- Help finding the right College & University course
- Motivation and Self Confidence

As part of a charitable trust, we are dependent on financial and 'gift in kind' donations to continue supporting local young people
